UNITED STATES DISTRICT COURT
DISTRICT OF NEVADA

Tamames Las Vegas Properties, LLC, et al.,

Plaintiffs

v.

The Travelers Indemnity Company,

Defendant

Case No.: 2:16-cv-02933-JAD-NJK

**Order Resolving Objections to
Designated Deposition Testimony**

In the joint pretrial order at pages 76–124, the parties provided their objections to designated deposition testimony.¹ Attached are the court’s rulings on those objections, denoted next to the objection in the appropriate line of the charts. O = overruled; S = sustained. Where there is an indication that a portion of an objection was overruled or sustained, the parties should presume that the remainder of that objection was contrarily overruled or sustained.

Whether addressed by these rulings or not, when presenting deposition testimony at trial, counsel must:

- Exclude the internal objections and any discussion about or response thereto; and
- Exclude attorney-to-attorney colloquy.
